Living in Love

The Family Life Director for the Archdiocese of Philadelphia, Mr. Dominic Lombardy and his wonderful staff met with Ron and Kathy Feher on October 23 to begin a new initiative in collaboration. "Preparing to Live in Love" (PLL) and "Living in Love" (LL) will now be listed as "programs done in association with the Archdiocese of Philadelphia" and posted on the diocesan websites as well as recommended and promoted in the clergy newsletter. The diocese has already begun to actively refer engaged couples to the PMRC for PLL and would like to help encourage married couples to make LL. Ron and Kathy agreed to sit on a panel for the upcoming clergy workshop on cohabitation Nov 13 and 14. Now that the doors are open, please let us know if you know anyone in a parish that does not yet offer our programs.

The October weekends were great successes thanks to the heroic efforts of John and Cathy Scansaroli who organized, recruited and even presented on two consecutive weekends in New Jersey with the fabulous help of Paul and Carrie Marcinkevage, Tim and Christine Coleman, Eric and Cecille Zalamea and Paul and Diana Hennesey.

Please Pray for the Couples who will be facilitating or participating in the upcoming Living in Love weekends in Nov.
